Verb Preposition Object

This best practice [CM-G-BPM-Ver] or, alternatively, [CM-G-BPO-Ver] describes or explains or illustrates ToDo: content in one or at least two sentence.

The second paragraph provides a more detailed summary of the BP, e.g., by making clear the conceptual and logical sequence of the steps which are described in the following.

Step 1: Noun Preposition Object

Each step contains information about which steps in the system needs to be done. Furthermore, the text is supported by figures.

Step 2: Noun Preposition Object
